

# Letter of Appreciation

for your contributions to the  
Baptist Medical Centre

Dear Contributor,

We at Baptist Medical Centre recently received a most generous donation from your organization and I wanted to take this opportunity to express our gratitude to you. During the past couple of years we have been facing increasing financial difficulties and so the money you sent comes at a good time and will be a tremendous help to us.

We are trying our best to find ways to continue to provide quality medical care at an affordable cost to the rural population of Northern Ghana. Donations such as yours make that goal a little easier to attain.

It has been our pleasure to be able to help some of your missionaries here. And it has certainly been good to get to know and visit with your representatives to the area. They have been a blessing and an encouragement to us. I hope that we will be able to continue to be of service as the need arises. And I hope that we will continue to have opportunities to visit and get to know your team here.

Thanks again for the financial contribution to our work. Thanks also for your prayer support and encouragement. Sincerely,

Dr. George M. Faile, III MD  
Baptist Medical Centre

Thank you for responding to our request to bless the Baptist Medical Centre with a financial gift for their years of medical service to our missionaries.
